REIMAGINING POSSIBILITIES — The Pharmacist's DNA

9–10 September 2023

WELCOME MESSAGE

Dear Industry Colleagues, Trade Partners, and Friends,

It is with pleasure that we would like to share with you that the annual Singapore Pharmacy Congress is taking place on 9-10 September 2023 at Grand Copthorne Hotel. Our theme this year “Reimagining Possibilities - The Pharmacists’ DNA” highlights the innovative ways pharmacists are expanding our roles into new frontiers of healthcare while working dedicatedly to improving patient outcomes and keeping our population healthy.

As healthcare evolves, the pharmacist’s role becomes increasingly vital. We are no longer just dispensers of medications but integral members of healthcare teams. We believe that by re-imagining possibilities, we can change the perception of pharmacists and showcase that we are leaders in patient care, public health, education, and research. And with your support, we can make it happen.

The Singapore Pharmacy Congress has been expanding our network and reach over the years, with 2022 as a landmark year of successfully attracting >800 attendees from our pharmacy community and other healthcare professionals. Once again this year, the congress will be a collaborative, innovative platform to share ideas as we bring the latest scientific updates, research, and advancements to our healthcare community, while discussing strategic growth and partnership opportunities of our profession, reconnect and build new networks.

As a leader in the industry space, your support is critical to the continued success and endeavours of Pharmacists, including our annual Pharmacy Congress. Collaboration among industry leaders can drive innovation, facilitate knowledge-sharing, and enhance the delivery of healthcare services. By working together, we can improve the overall health outcomes of patients, advance medical knowledge, and enhance the quality of healthcare services provided.

On behalf of the Pharmaceutical Society of Singapore, we invite you to be a part of this meaningful event, where you can network with other industry leaders, showcase your company’s innovations, and make a lasting impact for the future of pharmacy. Just as we look towards reimagining the roles of the pharmacists, we similarly like to utilize this platform to evolve our relationship and collaboration to the next level.

Thank you for considering sponsorship for this event. We look forward to your participation and the positive long-term change we can create together.

Yours Sincerely,

WANG KAIYE
